

Yesterfest

August 14, 2005
Portage, WI

The ddkids crew contributed some good old-fashioned fun and games to Portage's Second Annual Yesterfest celebration while sharing information about Discovery Depot. Face painting and apple bobbing were popular choices among kids. The three-legged races, sack races and egg races also yielded plenty of winners. Kids and parents with an appetite dove into the watermelon-eating contest. The ddkids crew looks forward to being a part of the fun again next year!

Sack races
